Rich Sisson [4:46 PM]:

I wasn't really paying very close attention, but we could have just removed the CREDITS / CREDITS WON thing from the movies since we have the BONUS WIN thing above the meter

Aaron Milligan [4:49 PM]:

if it has to be removed I can do just let me know

Rich Sisson [4:49 PM]:

it doesn't have to be removed, but I think it can be.

might help with the tournament issue

Aaron Milligan [4:50 PM]:

if it helps with tournament mode

Rich Sisson [4:50 PM]:

need to double check with Jason

Aaron Milligan [4:50 PM]:

check and let me know

Rich Sisson [4:50 PM]:

is it just something you can turn off and re-render at night?

Aaron Milligan [4:50 PM]:

no

Rich Sisson [4:50 PM]:

why not?

it's not a layer?

Aaron Milligan [4:51 PM]:

its a layer inside a pre rendered movie inside a pre rendered movie

each intro has its own transition

that needs it
